## ALBANY EXCEEDS R.C. QUOTA

Albany was the first of the three in the Berkeley-Albany-Kenwood Red Cross War Fund campaign to go over the top with the residential and business units topping their quota by nearly 1000, according to Co-chairmen Cable and Oliver Nelson.

Opal Villa headed the residential campaign and with the help of some 200 workers collected the portion of the goal—\$9160.

The Junior Red Cross in Albany School was represented at the report luncheon of the campaign last week when the Junior Red Cross had charge of the program. McCoy played the National Anthem and Shirley Feinstein spoke of the work the Juniors are doing in Albany.

Two hundred and fifty workers generously gave of their time to make this drive a success and thanks have been expressed by committee members to the workers and givers.

The Mobile Blood Procurement Unit will make its next visit to Berkeley, March 29 and 30, and to Albany April 9. Plans for the Albany drive at the Blood Procurement Center are being made by Mrs. Walter Ward, War Service chairman of the P. T. A.

## New Honors Given to W. J. Bowman

W. J. Bowman, president of the Albany Federal Savings and Loan Association, received word recently of his appointment to the United States Savings and Loan League's Committee on Supervision, Examination and Audit. The appointment was made by W. M. Brock, Ohio, president of the \$3-billion nationwide organization of savings and loan business.

The announcement of the appointment included stress on the fact that the committee serves as a coordinating group between the public officials supervising savings and loan institutions and the institutions themselves.

## Mrs. Zahn Attends Senate Hearing

Mrs. Kathie Zahn was scheduled to appear in Sacramento before a Senate Committee, conducting a hearing on Senate Bill No. 10, the early part of the week. The bill before the committee will permit communities to join in a joint abatement district without approval of the city government, providing favorable petitions and signatures equivalent to 15 percent of those who voted in the gubernatorial election. In the case of Albany, should the bill pass, 750 signatures would be necessary to override the council veto. Previous to this time, Mrs. Zahn had 516 names on petitions for her own efforts.

The Ladies Aid of the Grace Lutheran Church will serve at the Lutheran Service Center at the King Hotel, San Francisco, Saturday, March 31.

The Evening Group of the Ladies will meet at the home of Mrs. Lundewille on Friday, April 1. Mrs. Lundewille lives at 430 Richmond Avenue, El Cerrito.

Thursday, March 22, at 10 a.m. the home of Mrs. F. P. Landon, 10200 Street, Berkeley, the Albany Reporter Group will hold their meeting.

Interested persons are urged to attend to hear a talk on "The Nation's Outlook."

## Killed in Action

Arthur A. Lawson

Mr. and Mrs. Alex Lawson of 1199 Cornell Avenue, Albany, have recently received word from the War Department that their son, Pvt. Arthur A. Lawson, 22, was killed in action January 31 in Germany.

Pvt. Lawson received his early training at Fort Knox and Camp Campbell, Ky. He went overseas in June, 1944. The popular young Albany High School student graduated with the class of 1941.

## YMCA Free Swim Drive Opens Now

The YMCA annual "Free Learn to Swim" campaign will be held in the Berkeley YMCA pool starting Monday, March 26 and continuing for five days ending Friday, March 30. A group of specially trained instructors will assist Elmer F. Cobe in teaching beginners how to swim.

Applications will be sent to the boys and girls in the schools, so the parents can sign and return the application.

The swimming periods are: High school boys, 8:30 to 9:15; grade school boys, 9:15 to 10:00; high school girls, 1:00 to 1:45; and grade school girls, 1:45 to 2:30. Each class will receive five lessons of thirty minutes and tests will be given as progress is made. Each boy or girl will bring a bathing suit and towel.

Transportation to and from the Berkeley YMCA will be entirely the responsibility of the parents.

Those entering the pool must take a soap bath and a personal inspection is made before each class enters the pool. The returned application must be at the school by Wednesday, March 28. Campaign is for boys and girls eight years of age and up.

## 'Y' Hostesses Meet, USO Pins Presented

The regular monthly meeting of the Hostesses of Albany YMCA will be held Friday (tonight) at the 'Y,' according to President Pierena Sagnet. A large turn-out is expected for the new USO membership cards which will be issued and to every hostess having served more than 25 hours a USO pin will be presented.

Some of the girls have volunteered more than 300 hours to the activities of helping to entertain the service men who are located in the surrounding area and who are hundreds of miles away from home.

The regular bi-monthly dance will be held Saturday evening, June Johnson, chairman for the month, is in charge and has lined up a 10-act vaudeville program. Jay Norman and his High Swingers will provide the music for this dance. Mrs. C. E. Perkins and her corps of workers will attend to the refreshments and other phases of entertainment.

## Police Changes Highlights City Council Session

The Monday evening City Council meeting was highlighted by a change in personnel of the Albany police force. The resignation of Edward C. Kerr, recently appointed on a probationary basis was accepted, while B. C. Douglas was recommended by Police Chief Stanley Williams to serve.

James McLeod, serving as a probationary patrolman since last September, was recommended as a regular officer.

In stating his reasons for resigning, Kerr told the Council that he had enjoyed his police work, but felt a more successful future might be in store for him in another field.

A meeting of the Coordinating Council of Albany will be held Thursday evening at 8 p. m.

Members of the Council urged William Garren, Ulric Grey, city engineer and Joseph Y. Young, city attorney to attend the airport hearing scheduled for March 30 before the Army Corps of Engineers in the Berkeley Council Chambers.

## News of Fighters

The following communication was received recently by Mr. and Mrs. Fred Houser of 1107 Curtis Street, regarding their son, S-Sgt. Eugene W. Houser, who is now stationed at Ft. Worth, Texas. Gene is a crew chief on a B-29. His last furlough was in December when he was at home for 30 days.

Commendation—  
To S-Sgt. Eugene H. Houser, 3904243.

1. For the past eight months you have been a crew chief in this organization during its tour of combat in the European Theater of Operations. Because of your excellent record you were selected to crew a lead airplane. This you did in a commendable manner. The airplane flew many successful combat and training missions without mechanical failure of any kind.

2. It is a pleasure to commend you to your future commanders as a very capable airplane crew chief.

P. B. WOODWARD,  
Major, Air Corps, Commanding,  
844th Bombardment Squadron (H)  
489th Bombardment Group (H)  
Lincoln Army Air Base, Lincoln, Nebraska.

XXI Bomber Command Headquarters, Guam.—Three men from Albany are among the hundreds of enlisted men at a huge Superfortress base in the Marianas whose diligent efforts have made it possible for the giant B-29 bombers of Major General Curtis E. LeMay's XXI Bomber Command to strike regularly at the heart of Japan's war industry.

They are members of a service unit commanded by Brigadier General Emmett O'Donnell, Jr., who led the first B-29 striking force from Saipan to bomb Tokyo's aviation industry on November 24, 1944.

"The work of these men and their fellow soldiers is directly responsible for the success of the B-29s in bombing Japan's war industries," General O'Donnell said in congratulating them. "These men realize their responsibilities in the pre-mission tasks of insuring the maximum chance for safe return of the air crews."

"Without the spirit of teamwork which has been exhibited by every man, our pioneering job, which is only beginning, could not have been a success. They have given their services fully and in complete disregard for personal comforts and pleasures in lieu of hard work and long hours."

The Albany men are:  
Sergeant Remo L. Dagna, son of Mr. and Mrs. Dan Dagna of 720 Evelyn Avenue. He was graduated from Albany High School and was employed by the Tuttle Cheese Company, Oakland, before entering the service in December, 1942.  
Corporal Gerald D. Coke, son of Mr. and Mrs. Hugh W. Coke of 1447 Washington Avenue. He was graduated from Juneau High School, Juneau, Alaska, and attended San Francisco Junior College, before entering the service in May, 1942.

## RECEIVES AIR MEDAL

SECOND LIEUTENANT RAYMOND E. WOODSTOCK, 808 Pomona Ave., Albany, a 15th AAF P-51 Mustang fighter pilot, is presented the Air Medal by Colonel F. L. Vidal, Commanding Officer of a Fighter Wing in the 16th AAF Fighter Command, during recent award ceremonies at an Italian base.

Second Lieutenant Raymond E. Woodstock, 22, son of Mr. and Mrs. Charles Woodstock of 808 Pomona Avenue, Albany, a fighter plane pilot, recently assigned to a veteran 15th AAF P-51 Mustang fighter group, entered upon his career as a combat pilot on December 19 when he flew his first combat mission over enemy territory, a high altitude heavy bomber escort attacking the Blechhammer Oil Refineries in Germany.

Lt. Woodstock has served in the Army Air Force since October 10, 1942. He was awarded his pilot's wings on May 23, 1944, after completing the advanced training course at Luke Field, Arizona. He left the States for foreign service in October and was assigned to a fighter group which has the outstanding record of having destroyed 475 enemy planes in aerial combat on 325 missions. This group has been awarded two Distinguished Unit Citations for outstanding achievements in aerial combat, and is credited with the greatest single fighter group aerial victory of the Italian campaign—the destruction of 37 enemy planes north of the Gulf of Venice on January 30 of this year.

Lt. Woodstock is a graduate of Albany High School and attended the University of California for two years. He was a member of Scout Troop 12 of Albany and gained the Eagle Scout rating after which he was an assistant scoutmaster of the troop.

The young lieutenant is a member of the famed Caterpillar Club when he was forced to "bail out" while in training in Arizona. He was also active in the Civilian Defense setup in Albany before joining the Army.

The senior Woodstock has long been an active member of the local Aerie of Eagles and his equally active son found time during his high school days to deliver the Albany Times and Hilltop Mirror for two years.

## BERKELEY'S MAYOR TO BE GUEST OF ALBANY CLUB

Mayor Fitch Robertson of Berkeley will be the guest speaker at the Tuesday, March 27, meeting of the Exchange Club. The dinner meeting will convene at 7 o'clock at Helen's Kitchen and has been designated as "Airport Night." Officers of other Albany service clubs, Rotary and Lions, as well as officers of the Albany Chamber of Commerce, have been invited to attend this important meeting.

With Mayor Robertson will be a member of the Airport technical staff to answer questions and explain the reports of the C. A. A. recommending this area for a major airport.

Lt. Phil Dew of the Albany Naval Landing Base will present studies he has made looking toward permanent use of the existing naval facilities in Albany a future defense development which should make of the Albany harbor an "Annapolis of the West."

Frank Grey, civil engineer and Albany's city engineer, will outline some studies the City of Albany has made toward post-war development of its water properties looking toward the construction of an airport to handle transports of world commerce.

The Army has been directed by Congress to make a survey of the Albany, Berkeley and Emeryville harbors with a view to determine the advisability of improving these harbors in the interest of air commerce and national defense. It is from this directive that the meeting of March 30 is being held in Berkeley and the Exchange Club meeting Tuesday evening will try to crystallize local ideas to be presented at this March 30 meet with the Army.

Mayor Bert Hill and Councilman "Buzz" Cleary will be the reception committee Tuesday night and Bill Garren who has been appointed by Mayor Hill on the City Airport Committee, will act as chairman of the meeting.

It is suggested that reservations for dinner be made in advance with Bob Miller, 'house chairman,' at Repp's Drug Store, or with Jack Sloan, president of the Exchange Club.

At the Exchange meeting last Tuesday evening Ernie Sousa, vice-president of the club, was chairman and had as his guests a group of chemists from the DuPont Company who showed, with color films, recent laboratory studies in pest-control products. Also shown were the beautiful and practical plastic and cellulose products which form the new wearing apparel for women and which will adorn homes of the future.

## Legion Auxiliary Members Discuss Red Cross Work

Albany Unit 292, American Legion Auxiliary will meet in regular session on Monday evening, March 26th at 8 p. m. in the Veterans' Memorial Building, with Mrs. Edith Jones presiding.

After the business meeting a very fine program is in store, according to Mrs. Marjorie Kane, War Activities chairman. The main feature will be a speaker from the Red Cross, who will bring a vivid picture of some of the phases of the work carried on in the battle areas. This will be of special interest, since the community has recently given so generously to the Red Cross Drive. After the meeting the members will be served refreshments by the hostess committee, headed by Miss Marjorie Stott.

People take the right road when you beckon them along it, not when you point it out.

## OPA Freezes Retail Prices, Effective Now

Word has been released from the Office of Price Administration of a new general pricing order, which will vitally affect all merchants retailing clothing and furniture.

Under the new ruling of the OPA Price Division, MPR 580, provides that all dealers must list the cost, selling and percentage of markup on all items handled as of March 19, 1945.

According to information from the District Office of the OPA, this ruling has been placed in effect in order to place a stop on the upward trend of prices and with the "freezing of wholesale prices" will prevent the increased cost resulting from markups in the retail selling price.

It is anticipated that with the present control of prices on both wholesale and retail, the consumer will benefit. It is also the desire of the price control section that a better grade of merchandise will eventually reach the consumer at the price levels now in effect.

According to the Price Secretary at the local board, all merchants in the city concerned with this regulation have been notified. If additional information is desired, contact your local Board, or a Price Specialist who is to have offices in Room 315, Central Bank Building, Oakland.

## Plans Announced For Palm Sunday And Easter Service

Plans for Palm Sunday services this Sunday at the Northbrae Community Church, and Easter services a week from Sunday (April 1) at the Oaks Theater, were announced today by the Rev. Laurance L. Cross, pastor.

Palm Sunday music will include Martha Tabb, well known San Francisco Symphony Orchestra trumpeter, Jean Reinecke, mezzo-soprano, and the Community Chorus Choir under the leadership of Capt. Harry Burdick, organist-director.

Rev. Cross will speak on "Palm Sunday Religion to Make Us Whole Again." Copies of the sermon, printed in advance, as well as the entire order of service, will be distributed free to all attendants.

A nursery for small children is held during the 11 o'clock hour for the convenience of parents who desire to bring them.

Four Easter services will be conducted by Rev. Cross at the Oaks Theater—the first at the theater will be the 6:30 Sunrise Service. Northbrae Church started the Cragmont outdoor service 25 years ago which will again be held this year on Cragmont Rock. The indoor service, started by the church last year, is for those who desire the warmth and comfort of an indoor service and who like to meet at the exact moment of the sunrise.

The organ service will begin at 6:30 and the Sunrise salute at 6:45. The sun rises this year at 6:55. The dramatic sunrise salute includes the Albany Glee Club of 65 voices led by Stephen Lehmer, with Mabel Hill Redfield at the organ.

At 9, 10 and 11 o'clock Easter morning three similar services will be held at the theater. The same sermon, order, decorations and the like will be at each service. However, the music for each of these services will be different.

At 9 o'clock the Waves' Chorus, Coast Guard Quartet, and solo trumpeter will furnish the music. At 10 o'clock the well known Weldonian Trumpet Choir and Jean Reinecke will be heard. At 11 o'clock the Community Choir with Capt. Burdick directing, will sing Easter anthems.

The church is at The Alameda and Los Angeles Avenue. The Oaks Theater is at 1875 Solano Avenue, near The Alameda.

## Cub Whist Party

Friday, March 23, was the date chosen by the Mothers Club of Troop 46 for their whist party, to be held at the home of Mrs. Mary Havey, 823 Pomona Ave. The time set for the game is 8 p. m.

At a recent meeting of the club, members of the Wolf Patrol entertained with a skit. The meeting was held in the home of Mrs. Verda Littlefair.

## Technician

Corporal Bert E. Hill, son of Albany's Mayor and Mrs. Bert E. Hill, checks dental work for the men who keep one vital part of the Allied air forces in operation, the men of a U. S. Troop Carrier Service Wing commanded by Colonel Franklin S. Henry.

Service Wing is the supply and repair arm for Troop Carrier squadrons who parachuted supplies and ammunition to elements of the First Allied Airborne Army at Bastogne and who have been dropping and supplying America's famous Airborne soldiers since D-Day. Before these squadrons fly their operational missions, Service Wingmen, the men with the tools, supplies and many varied skills, lay the ground work that is necessary for success.

Recently Corporal Hill's aunt, Lieutenant Olive H. Doyle, Santa Cruz, Calif., claimed the distinction of being the first lieutenant to become a grandmother in France when she received word at the evacuation hospital in France, where she is stationed as a nurse, that her son, Private Pat Doyle, a paratrooper, had become a father of a son.

Corporal Hill was graduated from Albany High School in 1942. He began his tour of foreign duty in August, 1943, in the European theatre.

## Navy Chaplain Talks For Baptist Meeting

A family fellowship night will be held at the First Baptist Church, Key Route and Portland, Friday evening, March 23rd, beginning at 7:30 p. m. This will be the first of such monthly meetings held in the future.

The special speaker of the evening will be the Rev. Wm. E. Appleberry. Mr. Appleberry was recently commissioned Auxiliary Chaplain to the United States Naval Hospitals in the Oakland area by the United States Christian Commission. He is also under appointment by the San Francisco Bay Cities Baptist Union. His work is with the Oak Knoll Naval Hospital, The San Leandro Naval Hospital, and the Naval Hospital at Shoemaker. His talk will relate to his work and experiences in this capacity.

Character may be revealed as you sit up in the grandstand. But it can only be developed as you come down and play the game.

## Berkeley Firm Has Agency for 'Laundromats'

J. F. Hink & Son, at Shattuck Ave. and Kittredge St., has been selected as a dealer for electric home appliances manufactured by the Westinghouse Electric and Manufacturing Company, Lester W. Hink, head of the local firm, announced today.

"As soon as they are available, we will have a complete line of Westinghouse electric appliances, including the spectacular new ones which should add much to the ease, comfort and convenience of electrical living in the future," Mr. Hink said. "Of course, the Number 1 job of all industry—of everyone—is to help win the war. That means there may be relatively few new appliances available until after Victory. But when they are ready, we will have them in Berkeley."

Among newer appliances in the Westinghouse Laundromat, an automatic cycle washer which enables the housewife to thoroughly wash and rinse clothes, then spin them 87 per cent dry, merely by setting two convenient dials and pressing a switch. Another new Westinghouse line will be home freezers in various sizes. Others include electric refrigerators, ranges, washers, ironers, vacuum cleaners, irons, fans, toasters, roasters, coffee makers and all others comprising the complete Westinghouse line. The local firm, already a dealer for Westinghouse Mazda lamps, also hopes to offer Westinghouse radios when available.

Hold up self-interest before the eyes of your children and they will soon become short-sighted.

We all want to see a family of nations. But is our own family a pattern for the kind we want to see?

## Local Wedding for J. F. Wilson's Kin

A wedding of interest to Albany friends of the bridegroom was that of Glenn Clark, 31-c, U.S.N.C.B., Port Huene, and Miss Jane Beranek, held March 10 in the Congregational Church of Oakland. Seaman Clark is the nephew of Mr. and Mrs. J. Fred Wilson of 1041 Solano Avenue. The new Mrs. Clark formerly lived in Wisconsin.

While in Albany the young couple were house guests of the Wilsons and after a short trip to Portland where they visited with the groom's family they have returned to southern California.

31-c Clark has spent 18 months in the Aleutian Islands on duty with the Navy.

Guests attending the wedding and luncheon (which was held at the Wilson home) following the rites were Mr. and Mrs. Jean Griswold, Oakland; Mrs. Edith Anderson of San Francisco, and Mr. and Mrs. J. Fred Wilson and "Spud" Barnes of Albany.

## New Ruling by OPA Directed at Bars

All establishments serving malt and alcoholic beverages will be required to post a new ceiling price list showing the number of ounces in each drink or bottle offered for sale, District Director Robert Parks of the San Francisco Office of Price Administration announced.

The new list must also be posted in plain sight on a standard form furnished by War Price and Rationing Boards and three copies must be filed with the board. These changes are a result of two amendments to the Restaurant Price Regulation No. 2, Parks said.

War Price and Ration Boards will distribute the new price ceiling posters early in April and owners of establishments serving malt and alcoholic beverages will be required to fill out and post the new lists by April 16. Two posters will be provided, one for malt beverages such as ale, porter, stout and beer sold by the bottle or glass, and one for fourteen types of alcoholic beverages commonly known as "bar liquors."

In cases where a customer calls for a particular brand the ceiling price for such a drink must be

## High Students Get Stamps as Prizes

Eight prizes of defense stamps ranging from two dollars and fifty cents to fifty cents, were given out by a faculty committee at the Annual Character Day Assembly at Albany High School this week.

Judges Mrs. Airlee Pollard, Mrs. Jessie Sheppherd, Paul Flegel and John Ryan, assisted by William Feeny, vice-principal awarded to the AHS "Boxes" the first prize; The "Boxes" were Gloria Miller and Barbara Pemberton.

Charene Gannett was awarded the second prize for her Tomboy costume. Jim Reid, as Atlas, carried off third prize, Bert Geisendorfer as a Merry Widow took fourth prize, Bill Norin in a Zoot suit was awarded fifth, Bob Francis as a tramp took sixth, Fred Duncan as a gay nineties beau in a bathing suit and Lois Williams

available for his inspection. In general, ceiling prices are the prices charged by an establishment during the base period of April 4-10, 1943.

The posted ceiling prices may be no higher than legal ceiling prices previously filed with War Price and Rationing Boards.

## Latest Treatment Of Polio Given

Best treatment of most early poliomyelitis cases consists of a combination of the Kenny method and administration of the drug prostigmine. So says Dr. Henry Brainerd, clinical instructor in medicine and pediatrics in the Medical School on the San Francisco campus of the University of California, who points out that both symptoms and course of the disease in poliomyelitis are exceedingly varied so that much controversy has arisen concerning it.

Prostigmine, which stimulates the para-sympathetic nervous system, was first used to treat poliomyelitis by Drs. Herman Kabot and Milard Knapp of Minnesota. Experiments at the University of

## CARD OF THANKS

Paul Wood and daughter, June, of 1269 Portland Avenue, Albany, wish to express their thanks to neighbors and friends for the many kindnesses of sympathy in the death of their wife and mother, Mrs. Alice L. Wood.

Funeral services were held from the Ellis Co. Mortuary on March 14.

If you receive a citation for traffic violation it is wise to take care of it immediately. Delays are expensive, often costing twice as much or more.

California Hospital have verified the belief that in most cases of early poliomyelitis this drug relaxes the muscle spasms and hence aids the recovery.

Physicians agree that the cause of poliomyelitis is a filterable virus, an organism smaller than the bacteria. This virus may occur in sewage, probably in contaminated milk, food, and water, and possibly may be carried by the housefly. Dr. Brainerd reports that it has been isolated from the nasal secretions and stools of patients and from excretions of apparently healthy individuals. He says it probably enters the body through the gastrointestinal tract or through the mucous membrane of the nose and throat.

## Starlette Club Plan May 12 Dinner Dance

Forty-two members of the Starlette Club of the Thousand Oaks O.E.S. attended a meeting at the home of the Worthy Matron, Mrs. Bebe Douglas.

At the meeting it was decided that May 12 will be the date for the annual dinner-dance to be held this year at the Mira Vista Country Club. Mrs. Doris Harding, vice-president of the club, will be chairman for the affair.

A stork shower was held recently in honor of Mrs. Betty Larsen, and Mrs. Slis Sanchez at the home of Mrs. Marjorie Buck. Mrs. Adelman Yaeger and Mrs. Margaret Pollard were co-hostesses for the party.

The April meeting of the Starlette Club will be held at the home of Mrs. Winifred Sutliff.

## FIVE SCOUT AWARDS

Tenderfoot badges were awarded to five local scouts at the Scout In-vestiture of Troop 46 at the Albany Community Church last Thursday evening.

The boys who received badges are Carl Faulky, Frank Crooks, Larry Rangle, Bob Hanna and Allen Mays. The meeting was attended by members of the Troop and their parents.

## Tires Recapped in 8 Hours at Tirol

Recapping prices are fixed by the Office of Price Administration. As long as you pay the same price, wherever you go, isn't it smart to have your tires recapped the best way? The Tirol Company of 1870 Solano Avenue, uses the B. F. Goodrich factory-approved method. In their shop, trained recappers put thick new treads on your smooth tires—add thousands of extra miles. And Tirol uses the special recapping tread designed by B. F. Goodrich engineers for safe driving. You'd better not wait too long. Tires that are worn too far can't be recapped. If you call at Tirol right away they can give you 8-hour service.

## Communicated

The following communication was read at last Monday evening's City Council meeting:

Honorable Mayor of Albany, Dear Mr. Mayor:

May I through you express my most sincere thanks to certain members of your city's police force (their names or numbers are unknown to me). Last night about 7 o'clock my wife had a rather sudden and unexpected heart attack, my daughter and I were unable to locate any available doctor and in our extremity we asked the Berkeley telephone operator to send the Berkeley emergency squad to our place. Inadvertently the operator notified the Albany emergency police squad. However, they responded promptly, sized up the situation and telephoned for the Berkeley squad which responded in a very few minutes, in the meantime my wife was given oxygen inhalations which undoubtedly helped her materially.

The Berkeley squad telephoned for a police ambulance and she was taken

# NEWS OF FIGHTERS

(Continued from page 1)

A brother, Paul, is a Lieutenant in the AAF.

☆☆☆  
Sergeant Charles P. Ham, son of Mr. and Mrs. Charles L. Ham of 1515 Francis Street, Albany. He was graduated from Albany High school before entering the service in April, 1943. Two brothers are also in the service: Hubert, an Ensign in the Merchant Marines, and Donald, a Seaman Second Class in the Navy.

☆☆☆  
Sgt. Donald C. Nolan, son of Mrs. J. A. Nolan, 831 Adams St., Albany, has arrived in the United States on furlough from the Southwest-Pacific Theater of Operations where he served 35 months with the Army Air Force.

☆☆☆  
Aviation Cadet Harley A. Nissen has just completed his basic flying training at the Merced Army Air Field, Calif. He will now proceed to an Army advanced flying school, where he will take the final steps toward attainment of his silver pilot wings.

☆☆☆  
He is the son of Mr. and Mrs. Hans M. Nissen of 1063 Peralta Avenue.

☆☆☆  
Leroy Middlekauff aviation electrician made second class has been assigned to a new base in the South Pacific. For the past year and a half he has been attached to the Oakland Airport. His wife, June and daughter Lee Ellen, reside at 913 Ramona Ave.

☆☆☆  
Treasure Island—Euphemia Simoneau, daughter of Mrs. Euphemia Simoneau, 727 Cornell Avenue, has been advanced to the rating of chief petty officer, it is announced here.

☆☆☆  
Chief Simoneau is the second enlisted WAVE to attain a chief's rating in the 12th Naval District. Presently attached to the Naval Training and Distribution Center personnel office here, Chief Simoneau was advanced from yeoman first class on February 1.

☆☆☆  
She enlisted in the WAVES, September 25, 1942, and was trained at the Yeoman school at Stillwater, Okla. She was assigned to Treasure Island, November 30, 1942.

☆☆☆  
Marine Captain Alfred J. McCourtney, 27, of Albany, has returned to the United States from Central Pacific, where he served as a communications officer with a Fourth Marine Air Wing group.

☆☆☆  
The captain, a graduate of the University of California, took part in the Guam invasion. He went ashore after the initial landing to set up radio and telephone facilities, working under continuous Japanese fire.

☆☆☆  
McCourtney, a Marine since June, 1941, is now stationed at the

☆☆☆  
Leatherneck air depot, Miramar, awaiting reassignment and a furlough.

☆☆☆  
He is the son of Mr. and Mrs. Jackson McCourtney, 716 Madison Street.

☆☆☆  
As a member of a Corsican based B-25 Mitchell bomb group which has carried out continuous attacks in support of the Fifth and Eighth armies in northern Italy, Staff Sergeant Bruce M. Sutherland has been awarded a Bronze Battle Star for his unit's participation in the Rome-Arno phase of the Italian campaign.

☆☆☆  
His father, John Sutherland, resides at 1012 Curtis Street, Albany. The new battle star is the fourth to be won by the Albany serviceman in the Mediterranean area.

☆☆☆  
Staff Sergeant Floyd Denton, husband of Mrs. Pauline Denton, 1022 Evelyn Ave., has arrived in the United States on furlough from the European Theater of Operations where he served 22 months with the Air Transport Force as an electrical flight engineer on a C-47. He completed 540 operational flying hours.

☆☆☆  
After 23 months in the South Pacific with the Navy Seabees, Joseph V. Lynch, aged 38, shipfitter, First Class, USNR of 733 Santa Fe Avenue, has returned to the States for overseas leave.

☆☆☆  
As a member of the 55th Naval Construction Battalion, Lynch helped build naval installations and air facilities in Australia, New Guinea, and the Schouten Islands.

☆☆☆  
Before entering the service Lynch was employed by the Standard Oil Company of Richmond.

☆☆☆  
With U. S. Army Forces on New Caledonia—Staff Sergeant Peter A. Borelli, 27, son of Mrs. Rose Borelli, 1221 Washington St., Albany, has been promoted to technical sergeant.

☆☆☆  
Though he classes himself as "just an ordinary soldier," Sergeant Borelli's job is not an ordinary one, but is laden with responsibility. Working in the chief of

☆☆☆  
staff office, he operates a clearing house for all incoming and outgoing radios at Maj. Gen. Frederick Gilbreath's South Pacific headquarters. He worked in the G-4 section of this same headquarters before his present assignment.

☆☆☆  
A veteran of 22 months of overseas service, the sergeant first put on an army uniform in medical corps administration at Camp Berkeley, Texas. His most enjoyable experience since coming to this strategic island base was when he accompanied General Gilbreath on a flight to Espiritu Santo in the New Hebrides Islands, and Guadalcanal.

☆☆☆  
In civilian life, Sergeant Borelli spent five years as a teller for the Bank of America, where he sometimes handled as many as 800 checking accounts, and immediately before entering the army was employed by the Hall-Scott Motor Co., manufacturers of engines for PT boats and Higgins boats. He graduated from Albany High school in 1936 and attended San Francisco Junior College. One brother, Joseph Bonelli, is a carpenter's mate, second class, in the United States Merchant Marine.

☆☆☆  
Lieutenant Harry F. Stanford, USN, of Albany, has been awarded the Air Medal, the Secretary of the Navy disclosed recently. Lt. Stanford, whose parents, Mr. and Mrs. C. M. Stanford reside at 1309 Marin Avenue, is now on duty as executive officer of a Navy Patrol Bombing Squadron.

☆☆☆  
The citation accompanying the award states—"While carrying out a reconnaissance flight—Lt. Stanford sighted and attacked an enemy bomber. Although his plane was damaged in the ensuing action, he succeeded in destroying the enemy aircraft. His skillful airmanship and aggressive fighting spirit were in keeping with the highest tradition of the naval service."

☆☆☆  
Lt. Stanford, who wears, in addition to the Air Medal, the American Defense Ribbon, the American Theater of Operations Ribbon, and the Asiatic-Pacific Theater ribbon, with three (3) Major Engagement Stars, is a graduate of Albany High School and attended the University of California. He entered

☆☆☆  
the Naval Reserve as an Aviation Cadet in 1940. His application for transfer to the Regular Navy was accepted in 1944.

☆☆☆  
His wife, the former Wanda Medina, lives at 580 Page St., Redwood City, Calif.

☆☆☆  
An Air Service Command Depot, England—High praise from his commanding general opened, 1945 overseas for Master Sergeant Russell J. Schauer of 821 Ramona Ave., Albany, son of Mr. and Mrs. R. J. Schauer of the same address.

☆☆☆  
Serving in a vast modification hangar at this Air Service Command depot in England, he and his fellow soldiers set an all-time record in 1944 by sending into action more than 7,500 front-line aircraft.

☆☆☆  
Commending their battle-backing efforts, Brigadier General Morris Berman of San Antonio declared: "Working for months without days off before D-Day; stepping up their output to meet the demands of airborne operations in Holland; sweating night and day to get planes into the air for every raid over Germany, these men have outdone themselves in the thankless job of backing the 1944 aerial offensive against Germany."

☆☆☆  
Each one of the planes he helped send into action represents scores of completed modifications, and he's worked on virtually every type of combat aircraft that flies in this Theater of Operations.

☆☆☆  
A soldier since June, 1943, he has been overseas for 18 months. Sgt. Russell is a graduate of Albany High School.

## Albany Included in Plans For Berkeley Hospital

EMERGENCY CAN CARE FOR HUNDRED PATIENTS IN CASE OF DISASTER

Albany will be included in the plans of the Berkeley General Hospital Annex which will be constructed in the near future on the Milvia Street property of the hospital.

As the plans state, Albany will share the emergency ward facilities with Berkeley, North and West Oakland and Emeryville. The emergency hospital will provide surgeries, first aid rooms and emergency wards to provide facilities for treating 11 accident victims at one time, which is adequate under normal conditions.

To provide for immediate expansion in case of disaster, the emergency hospital is so designed that it can be enlarged to provide emergency care for 100 additional patients.

The construction cost of the enlarged Berkeley Hospital and proposed Medical Center will represent an investment of \$1,250,000. Actual construction bids of the new addition were given to Willis P. Lynn, Bay Area contractor and lowest bidder, for \$513,000, as was announced by Mrs. Ivelle Herrick Henderson, president of the hospital.

The project is being financed with a loan and a grant of the Federal Works Agency, supplemented by a loan from the Mechanics Bank of Richmond and funds accumulated in the hospital building fund. The construction cost of the present addition is \$513,000 exclusive of land and

Berkeley Hospital Guild and other philanthropic groups.

## SOLDIERS' WIVES MATERNITY PROGRAM

The hospital has taken an active part in the Emergency Maternity and Infant Care Program, EMIC, a Federal program under which free maternity care is provided for the wives of soldiers and sailors of our Armed Forces. The program is financed from funds of the Children's Bureau and is administered by the California State Board of Health. Over 1000 soldiers' and sailors' wives have had their babies born at the Berkeley Hospital under the EMIC program.

Reports from Tulare County fishermen say that they are ready to "go" just as soon as warm weather starts the catfish biting, according to the National Automobile Club.

## HELICOPTER LANDING FIELD ON ROOF

Another feature of the building will be the helicopter landing field on the flat roof. With this in mind, the patients' elevator leads to the roof, as do the ramps, so that it will be possible to land patients on the roof with the air ambulances of the future and wheel the patients into the hospital either via the ramps or via the elevator. The postwar helicopter doctor will also find the roof landing field a convenient hospital entrance after making his rounds in the surrounding countryside.

## FOUNDED IN 1904

The Berkeley Hospital was founded in 1904 by Dr. L. F. Herrick and is one of the pioneer medical institutions of the East Bay. Alfred E. Maffly is the hospital administrator. The Berkeley Hospital is a non-profit corporation and in addition to its facilities for surgical, medical, maternity and emergency bed patients, it maintains an outpatient clinic for those who cannot afford to pay the full price of medical and hospital care. The clinic is supported by the

## PARTNERS

A WORD THAT MEANS MUCH TO P.G. & E.

121,075 Partner-Stockholders

85.3% own only 1 to 100 shares each

This Company, serving gas and electricity to more than 1,750,000 customers in 46 of California's 58 counties, is largely owned by average "home folks" of modest incomes. There are 121,075 holders of P.G. & E. stock and of these, 103,000 or 85.3 per cent hold from 1 to 100 shares apiece.

The partner-ownership of P.G. & E. stock is typically Californian. It springs from the desire of small investors to place their savings in a California institution which with its predecessors, has been in business in this state for more than 90 years. It is an expression of their faith in the continued growth of the state and in an industry that aids and adds to prosperity.

29,000 or 24.1 per cent of these small "savings account" holdings are from 1 share to 10 shares for each holder, and 74,106 or 61.2 per cent are from 11 to 100 shares each. Only 640 stockholders own 1,000 shares or more.

Widespread ownership of our stock by "home folks" means much to this Company. It means a common interest between the Company and those we serve. It is YOUR Company, giving you gas and electric service at rates far below the national average.

Thousands own—  
Millions share with P.G. & E.

## NO ONE NEED WORRY ABOUT FUNERAL BILLS

Everyone should have a plan prepared for all the major eventualities of life.

There is a Plan that everyone should look into. It provides a method of setting down in advance just what funeral arrangements shall be carried out. It also provides immediate cash to cover funeral costs. This means that those who remain will not be burdened with the ordeal of arrangements at the time of sorrow, and it keeps savings and insurance funds intact.

In the interest of better service, we will be pleased to tell you how you may obtain this protection. For information
